## TUE 15 Exploring the Wonders of Cappadocia

(B)

This morning, we embark on a journey through Cappadocia's most breathtaking landscapes and ancient villages.

Our first stop is **Pigeon Valley (Guvercinlik Vadisi)**, named for the countless man-made dovecotes carved into the soft volcanic rock. Since ancient times, pigeons played a vital role in the region, providing fertilizer for the infertile soil and even serving as a source of food. Though no longer essential to daily life, the rock-carved pigeon houses remain a fascinating feature of the landscape, perched atop rock pillars and hidden within ancient cave dwellings.

Next, we explore **Red Valley**, one of Cappadocia's most scenic and photogenic landscapes. Known for its stunning reddish-pink rock formations, the valley transforms into a breathtaking sight at sunset. As we walk along its winding trails, we discover hidden cave churches carved into the rock, each with its own unique history and charm.

Continuing our journey, we visit **Çavuşin Village**, one of the oldest settlements in Cappadocia. This charming troglodyte village is famous for its cave houses and rock-hewn dwellings, offering a glimpse into the region's ancient way of life.

Our final stop takes us to **Avanos**, a town famous for its pottery-making tradition that dates back thousands of years. The **Kızılırmak River (Halys)**, Turkey's longest river, provides the rich red clay used by artisans to craft beautiful ceramics. Here, we witness the traditional pottery-making process and have the chance to admire (or even try) this time-honoured craft.

After a day of exploration, we return to our hotel for an evening at leisure to relax or continue discovering Cappadocia at your own pace.

### WED 16 Cappadocia – Istanbul

ⓑ

Our final morning in Cappadocia begins with a journey through its breathtaking lunar-like landscape, where ancient history and natural wonders blend seamlessly.

We start at the **Göreme Open-Air Museum**, a **UNESCO World Heritage Site** and one of Cappadocia's most important historical and cultural landmarks. This open-air complex is home to some of the region's best-preserved rock-cut churches, adorned with stunning Byzantine frescoes that have survived for centuries.

Next, we explore **Cappadocia's iconic fairy chimneys**, towering rock formations sculpted by nature over millions of years. As we admire these surreal landscapes, we witness how the rocky topography transforms under the shifting light - glowing red and purple at sunset and shimmering softly under the moonlight.

Before concluding our Cappadocia adventure, we descend into one of the region's fascinating underground cities, a network of multi-level tunnels and chambers that once served as hidden refuges for ancient civilizations. These subterranean dwellings, complete with living quarters, storage rooms, and even chapels, offer an incredible insight into the ingenuity of early settlers.

Later, we transfer to Kayseri Airport for our flight to Istanbul. Upon arrival, we check in to our hotel and settle in for the evening, with time to relax at leisure or explore the city at your own pace.
